STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF  
ALLENSTOWN IN THE COUNTY OF MERRI-  
MACK IN SAID STATE, QUALIFIED TO VOTE IN  
THE TOWN AFFAIRS:

You are hereby notified to meet at the Fire Station in said Allenstown on Tuesday, the tenth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money, as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear and act upon the report of the Town Budget Committee.
4. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
5. To see if the Town will vote to give a one per cent (1%) discount on all 1953 taxes paid within thirty (30) days after the tax rate is approved.
6. To see if the Town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting and to make an appropriation to cover the expense of such audit.
7. To see if the Town will vote to adopt the provisions of Chapter 171-A of the Revised Laws relative to playing games of Beano in this Town.

8. To see if the Town will vote to raise and appropriate the sum of Two Hundred Nine Dollars and Eighty-one Cents (\$209.81) for the maintenance, construction or reconstruction of Class V highways, thereby receiving State aid for said highways.

9. To see if the Town will vote to have the board of trustees of trust funds consist of one trustee only, and to choose by ballot a person to serve as such trustee.

10. To see if the Town will vote to allow the Collector of taxes additional compensation in the amount of 2% of the Head Taxes collected and remitted to the Treasurer for his services in collecting the state head tax.

11. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400.00) for continuing the control of white pine blister rust in cooperation with the State Forestry and Recreation Department.

12. (By Petition) To see if the Town will vote to accept as a Town street a strip of land reserved for a street on Mercier Plat and known as Willow Street, said street runs from Cross Street to Hamel land and is bounded on the east by land of Lefebvre and Lavoie and on the west by land of Cyr and Raymond.

13. (By Petition) To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for the construction of a cement sidewalk on the north side of Webster Street, beginning at the residence of Edward Duguay and running to the end of the street.

14. (By Petition) To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Dollars (\$150.00) for the construction of a sewer from Al's Avenue to the residence of Robert Gallien on Oak Street.

15. (By Petition) To see if the Town will vote to

raise and appropriate the sum of Ninety Dollars (\$90.00) to install a catch basin on School Street opposite the entrance to the Allenstown Grammar School.

15-A To see if the Town will vote to adopt the non-partisan ballot system as provided by Chapter 22 of the Laws of 1943 in lieu of the Australian Ballot System now in effect; and to determine the number of separate nominating petitions which must be filed by a candidate to have his name printed on the ballot without the payment of a filing fee.

16. (By Petition) To see if the Town will vote to raise and appropriate a sum of money to install and maintain a street light on West Street.

17. (By Petition) To see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) to lower the sewer from Philip Rondeau's residence on Lafayette Street to the woods past Ulric Chevette's residence and to install a catch basin.

18. (By Petition) To see if the Town will vote to raise and appropriate the sum of Two Hundred Dollars (\$200.00) to maintain a police officer on School Street where it crosses the new highway (Route 3) to protect school children during school hours.

19. (By Petition) To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Dollars (\$150.00) to oil Al's Avenue Extension.

20. (By Petition) To see if the town will vote to raise and appropriate a sum of money to install and maintain a street light opposite Peter Juranty's poultry house on River Road.

21. (By Petition) To see if the Town will vote to raise and appropriate a sum of money to install and

maintain a street light on Lafayette Street on pole Number 1, near the residence of Aime Beaudoin.

22. To hear the reports of auditors, agents and committees or officers heretofore chosen, and to pass any vote relating thereto.

23. To transact any other business that may legally come before said meeting.

The polls will be open until six o'clock in the afternoon.

Given under our hands and seal this eighteenth day of February in the year of our Lord nineteen hundred and fifty-three.

DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

Concord, New Hampshire

February 19, 1953

Board of Selectmen  
Allenstown, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Allenstown for the fiscal year ended December 31, 1952, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the audit and examination were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheet: Dec. 31, 1951 — Dec. 31, 1952:  
(Exhibit A)

Comparative Balance Sheets as of December 31, 1951 and December 31, 1952, are presented in Exhibit A. As indicated therein the financial condition changed from a Surplus of \$3,058.58 to a Net Debt of \$378.61 during 1952. Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the Town during the year is made in Exhibit B, with

the factors which caused the change indicated therein. These were as follows:

Decreases in Surplus      (Increases in Net Debt)	
Net Budget Deficit	\$3,076.63
Increase in Accounts Payable	454.09
Yield Tax Abatement	99.26
Transfer of Tax Liens to Tax Deeds	74.61
Tax Collector's Credit Deficit	23.99
Decrease in Town Clerk's Cash on Hand	11.01
	<hr/>
	\$3,739.59
Increase in Surplus (Decrease in Net Debt)	
Increase in Accounts Receivable	\$302.40
	<hr/>
Change in Financial Condition	\$3,437.19

#### Comparative Statement of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1952, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a net overdraft of appropriations of \$3,367.23, less a net revenue surplus of \$290.60, resulted in a net budget deficit of \$3,076.63.

#### Summary of Receipts and Expenditures: (Exhibit F)

A summary of receipts and expenditures for the fiscal year ended December 31, 1952, made up in accordance with the uniform classification of accounts, is included in Exhibit F. Proof of the Treasurer's balance as of December 31, 1952, is indicated in Exhibit G.

### AUDIT PROCEDURE

The accounts and records of all town officials

charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source, insofar as possible, and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

### GENERAL COMMENTS

#### Appropriation Overdrafts:

The budget summary (Exhibit D) indicates:

Overdrafts of Appropriations . . . . .	\$5,313.31
Unexpended Balances of	
Appropriations . . . . .	1,946.08
Net Overdraft of Appropriations . . . . .	<u>\$3,367.23</u>

Section 5 of Chapter 52, Revised Laws of New Hampshire, as amended, (Municipal Budget Act) the provisions of which have been adopted by the Town of Allentown, provides as follows:

"5 Exceeding Appropriations. In town adopting the provisions of this chapter, no board of selectmen, school board, commissioners of a village district wholly within said town, or other expending agency shall pay or agree to pay any money for any purpose for which an appropriation has not been made, or in excess of any appropriation or allotment made to it, except for the purpose of paying judgements rendered against the town or school district or said village district, provided, however, that in case of sudden and unexpected emergency

the selectmen or village commissioners on application to the tax commission and the school board on application to the state board of education, after hearing, may be given a certificate of emergency authorizing them to make such expenditure or incur such liability, provided that no changes occur which make it unnecessary to use such certificate of emergency shall be granted unless the budget committee of the town has approved the expenditure. In cases arising during the year following the annual meeting where changes occur which make it unnecessary to use the amount appropriated for a specific purpose, an unexpended balance may be transferred by the board of selectmen or the school board or the village commissioners of such village district from one appropriation to another, provided the total amount expended for all purposes does not exceed the total amount appropriated at the town, school or village district meetings for all purposes."

It is noted, therefore, that contrary to the provisions of Section 5 of the Municipal Budget Act (1) expenditures exceeded total budgetary appropriations and (2) no application was made by the Board of Selectmen to the Tax Commission for authority to exceed appropriations.

#### Sewer Construction Fund:

The sewer construction fund was started in 1950 with an appropriation of \$1,000.00 to which has been added similar appropriations made in 1951 and 1952. The unexpended balance in this fund of \$3,000.00, as of December 31, 1952, is shown as an appropriation liability in the Balance Sheet (Exhibit A). Although not actually established

as a capital reserve fund, it is recommended that the amount of this fund be taken from the general fund of the Town and turned over to the custody of the Trustees of Trust Funds. Additions to the fund should be treated in a similar manner. The fund could then be placed on deposit in a savings bank where it would bear interest.

#### Tax Collector's Accounts:

The Tax Collector did not provide the auditors, at the time of audit, with a list of uncollected taxes as of December 31, 1952 as required by law.

It was noted that collections made on the last days of 1952 were not entered in the Collector's Cash Book and Warrants until January 1953. These items which are included in the uncollected taxes as of December 31, 1952, should have been remitted to the Treasurer as 1952 accounts.

In this connection the Town Treasurer's books should be held open for a few days after December 31st in order that they may include all remittances from the Tax Collector or any other fiscal officer of the town on account of funds received on or before the close of business on the last day of the fiscal year.

#### Town Treasurer's Surety Bond:

In view of the fact that the funds handled by the Town Treasurer in 1952 totaled \$94,000.00, it is recommended that the surety bond of the Treasurer be increased from \$5,000.00 to \$7,500.00 in 1953.

#### Conclusion:

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its

essential features shall be published in the next annual town report.

We extend our thanks to the officials of the Town of Allentown for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

Director

Division of Municipal Accounting,  
State Tax Commission

Alan R. Matthews, Auditor

Hugh J. Cassidy, Accountant

**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Town of Allentown for the fiscal year ended December 31, 1952. In our opinion the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1952, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER

Director

Division of Municipal Accounting,

MRS. ALICE P. GIRARD

Overseer of the Poor, Allenstown, N. H.

## TEAM WORK WILL DO THE JOB

Team work has won victories from time immemorial — for families, towns, cities, states and nations. Team work is the highest form and most democratic example of cooperation. Without team work, America and Americans would never have achieved the greatness that is theirs. We are all aware of its power and appeal. It is no less needed now than in the past.

Team work among those who live, work and recreate in and near the woodlands, is vital. There never was a time when our woodlands as a whole were in such precarious condition as they are now.

Since the hurricane, nearly 900,000 acres of slash have been added to our already sizeable slash problem. If we are to avoid unnecessary trouble with fire in our woodland areas everyone must cooperate—we must have team work. The remedy is simple—

- YOU and YOU and You and You
- MUST secure the required permit from your local forest fire warden before burning.
- MUST use necessary precautions while burning or smoking in or near woodlands.
- MUST not throw lighted cigars, cigarettes and matches from vehicles moving along highways.

Otherwise YOU might well contribute to a costly and damaging fire. And don't forget that fire might destroy your own property!

REMEMBER — Only YOU and YOU and YOU can prevent fire!

## TEAM WORK WILL DO THE JOB !

Number of local fires	3
Number of acres burned	.6
Number of permits issued	.33

ARMAND BRISBOIS,  
Forest Fire Warden

THOS. J. KING,  
District Chief

# ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

February 1, 1953

To the School Board of Allentown:

It is my privilege to submit my sixth annual report of the public schools of Allentown. May I take this opportunity to thank you for your understanding in conducting the affairs and solving the problems of the school district.

Your teaching staff remained constant during the past year — September 1951 to June 1952. Mr. Fitzgerald in Grades 6 - 7 - 8 and the Principal; Miss O'Malley in Grades 3 - 4 - 5; and Miss Bernard in Grades 1 - 2 and music. These teachers completed a creditable year and have continued in the same manner since the opening of school in September 1952.

The school enrollment has remained fairly constant for the past four years. For the sake of comparison the following data is compiled from the records for your study and thought.

## School Enrollment 1947 — 1953

Grades	1947	1948	1949	1950	1951	1952
	1948	1949	1950	1951	1952	1953
						to date
1	4	7	7	12	6	7
2	9	4	8	9	9	4
3	5	8	9	6	9	10
4	7	4	7	5	6	11
5	6	8	7	13	6	6
6	5	4	12	6	13	7
7	6	5	5	6	4	9
8	4	5	5	4	4	4
Totals	46	45	60	61	56	58

Chart Showing School Costs over a period of Six Years  
with the Year 1952-53 estimated.

Year	*A. D. M.	Total Expenditures	Cost per Pupil
1947-48	41	\$ 14,077.70	\$ 335.18
1948-49	41	18,202.70	443.97
1949-50	50	19,675.08	393.51
1950-51	52	20,444.85	393.15
1951-52	54	24,439.99	452.59
1952-53 (Est.)	55	24,268.00	441.24

\*A. D. M. means Average Daily Attendance each year.

Total Expenditures means all payments each year for the school including Capital Outlay, Tuitions, & Transportation.

The Cost Per Pupil is computed by dividing the Total Expenditures by the Average Daily Attendance.

The chart showing the total enrollments will be greater each year than the Average Daily Attendance each year, but in estimating a cost per pupil on the basis of expending money for tuition purposes, the total enrollment must be figured.

With the present set-up in the town or its vicinity especially with the removal of the Textron business, reduction in work hours is very important to the overall costs in government and the schools. Therefore, it might be pertinent to the situation to review briefly these school costs and perhaps a solution is in order until conditions have changed.

Suppose for the sake of discussion the Town of Allentown should decide to send their public school children to the Pembroke Elementary School, providing, of course, that the Town or School Board would accept them, at a cost of from \$200 to \$250 per pupil.

Now, let us take the maximum number of pupils for the past six years in the largest year from the enrollment chart (1950-51, 61 pupils) at the maximum cost of \$250 per pupil; this amount would total \$15,250. If you will consult the Cost Chart above you will find that there is not a year in the last six, except 1947-48, in which the cost of public school in Allentown was less than \$15,000. Even deducting tuition costs in the high school, it would be more economical to send the Allentown children to the Pembroke Elementary School or at least until business conditions warranted an independent plant and independent classrooms.

It is a situation that should be brought to the attention, not only of the members of the School Board, but also of the town. It is also a situation that should be studied carefully and checked in all its phases, especially where it involves the District of Pembroke.

If you will check the budget for the next school year you will note that the only increases which will make any appreciable difference in the total amount are tuitions and transportation. These items have been increased \$500 and \$300 respectively and, as you can readily understand, are beyond the control of the School Board. This makes the total increase, then, only \$800. However, we were able to decrease the item of Retirement \$100 due to a slight reduction in the percentage required by the Teachers' Retirement Board. Therefore, from the overall picture, the budget for 1953-54 calls for only \$700 more than the present school year. This is a feat in itself when most costs are increasing.

I cannot refrain from commending your building custodian as well as members of the School Board for their pride and interest in the upkeep and cleanliness of the

building. Every year this group of men make some improvement for the protection and maintenance of the school plant. The major repairs which needed immediate attention this year were the items connected with the laying of a new water pipe. After 30 or 40 years items of this nature really need attention and your Board has met this obligation. Smaller items of painting and repairing were completed and school opened as usual in excellent condition.

Once again may I call your attention to the trends in modern education, especially in the matter of increased space in the classroom. Without new construction or any major changes, this increased space would become a reality by the expenditure of about \$400 each year for the next three years for movable desks and chairs. By this improvement it would allow more freedom of action for your children and teachers. It would greatly increase the classroom activity and aid immeasurably the learning process and individual growth which are, at the present time, handicapped by tradition and outmoded equipment. Please give this matter some study and thought.

May I thank you again for your understanding and honesty in conducting the affairs and problems of the district on such a high plane and the children, teachers, and citizens who have made this year a very profitable and progressive one.

Respectfully submitted,

MURRAY H. WATSON

Superintendent of Schools
